**Technical Specifications**

Item Description	Minimum Technical Specification	Bidder's Offered Specification	Compliance (Yes/No)
<b>Wall Mounted 60W Speaker</b>	Minimum 60W RMS output, 100V line operation, 2-way speaker system, frequency response 80Hz–18kHz or better, wall mounting bracket included, suitable for indoor conference and meeting hall applications.		
<b>PA Mixer Amplifier 350W</b>	Minimum 350W RMS output, minimum 4 microphone inputs and 2 auxiliary inputs, master volume and tone controls, 100V line output, overload and short-circuit protection.		
<b>Wireless Amplifier</b>	Minimum 225W RMS output, suitable for PA applications, microphone and auxiliary inputs, 100V line output, tone controls, overload and short-circuit protection.		
<b>Wireless Handheld Microphone System</b>	UHF wireless microphone system with minimum 2 handheld microphones, dual-channel receiver, operating range minimum 50 meters, LCD display, frequency stability and low-noise operation.		
<b>Dynamic Wired Microphone</b>	Professional dynamic vocal microphone, cardioid pickup pattern, XLR connectivity, suitable for speech, meetings and announcements, microphone cable included.		
<b>Wall Mounted 30W Speaker</b>	Minimum 30W RMS output, 100V line operation, wall mountable, frequency response suitable for speech and music reproduction.		
<b>Amplifier 120W</b>	Minimum 120W RMS output, microphone and auxiliary inputs, volume and tone controls, 100V line output, protection against overload and short circuit.		
<b>Integrated Podium Audio System</b>	Podium with built-in amplifier of minimum 90W output, gooseneck microphone, USB/Bluetooth connectivity, integrated speaker system, suitable for conferences and public speaking.

Item Description	Minimum Technical Specification	Bidder's Offered Specification	Compliance (Yes/No)
75-inch Interactive Flat Panel Display with Mobile Stand	75-inch 4K UHD display, minimum 40-point touch, Android OS, minimum 8GB RAM and 128GB storage, anti-glare tempered glass, built-in speakers, Wi-Fi, Bluetooth, HDMI, USB, USB-C, LAN connectivity, wireless screen sharing, heavy-duty mobile stand with lockable wheels.		
86-inch Interactive Flat Panel Display with Mobile Stand	86-inch 4K UHD display, minimum 40-point touch, Android OS, minimum 8GB RAM and 128GB storage, anti-glare tempered glass, built-in speakers, Wi-Fi, Bluetooth, HDMI, USB, USB-C, LAN connectivity, wireless screen sharing, heavy-duty mobile stand with lockable wheels.		

**Mandatory Accessories, Installation and Services**

Description	Requirement	Compliance (Yes/No)
Cabling and Wiring	All necessary speaker cables, microphone cables, power cables, signal cables, connectors, conduits, cable ties, termination accessories and related materials required for complete installation shall be supplied.	
Power Accessories	Surge protectors, extension cord, power strips and all power connection accessories required for safe operation shall be supplied.	
Mounting Hardware	All mounting brackets, anchors, clamps, fasteners and installation accessories required for complete installation shall be included.	
Transportation	Delivery of all equipment to Manarashiswa Municipality office and designated installation locations.	
Installation	Complete installation, configuration, testing and commissioning of all supplied equipment.	
System Integration	Interconnection of amplifiers, microphones, speakers, podium system and interactive flat panels for fully functional operation.	

Manarashiswa Municipality

Description	Requirement	Compliance (Yes/No)
Demonstration & Training	On-site operational demonstration and basic user training for designated municipal staff.	
Documentation	User manuals, warranty cards, technical datasheets and documentation shall be provided.	
Warranty	Minimum one (1) year warranty for audio equipment and for interactive flat panels, unless higher warranty is offered by manufacturer.	

### Special Tender Requirement

The bidder shall supply, deliver, install, test, commission and hand over the complete system in fully operational condition. All equipment shall be genuine branded products from the original. Bidders shall submit manufacturer's technical datasheets, and warranty commitments. Any accessories, adapters, connectors, cables or materials not specifically mentioned but required for proper operation of the system shall be deemed included in the bidder's quoted price. This is a turnkey supply and installation package.
